In this trying time, the Venango County Commissioners would like to extend grants to our valued small businesses. These grants are funded with Coronavirus Aid, Relief, and Economic Security (CARES) Act money afforded the County from the State and Federal government. The grant amount is up to \$5,000 per business. We realize that based on available funding, prioritization must occur based on whether or not you have received prior assistance. The only disqualifying factor is businesses must have fewer than 100 employees.

In trying to keep the process as simple as possible, we ask that you complete the following:

- Application for Grant to Small Business
- W-9

All information provided will be kept confidential.

These documents may be emailed to smallbusiness@co.venango.pa.us or mailed to Venango County, Attn: Small Business Grants, P.O. Box 831, PA 16323.

Any questions may be addressed to smallbusiness@co.venango.pa.us.
