Yes _____ No _____

Plain English Statement

This referendum question, if approved as a result of the number of “Yes” votes being greater than the number of “No” votes, would impose a tax of 1(one)mil on the assessed value of real estate within Clinton Township. A mill is equal to \$1.00 of tax for each \$1,000 of assessment. The tax would be collected yearly. The tax collected would be used by fire departments both inside and outside of Clinton Township. This referendum question, if not approved as a result of the number of “No” votes being greater than or equal to the number of “Yes” votes, would mean that this tax would not be imposed in Clinton Township.
